

LC Condiments for Burrito Day

Sprouts or Lettuce: Separate sprouts and serve in one of the large white china bowls.
(Or finely chop a small bowl of lettuce for the burritos.)

Tomato: Chop plenty; serve in round salad containers.

Cilantro: Chop, discarding long stems; serve in white china bowls.

Avocado: Cut in quarters and serve on platters ~OR~ see Guacamole recipe.

Cheese: Serve grated cheese in short round salad containers – use a fork for serving.

Look for opened salsa and sour cream in the 4-Door Fridge and use first.

Sour Cream: Serve from containers or remove & serve in white china bowls.

Salsa: Serve from jars or in short round salad containers.
